## WELCOME TO OUR July Newsletter

### Community Reminders

As we approach the holiday season, we kindly remind everyone that setting off fireworks is strictly prohibited within our community. This rule is in place to ensure the safety of all residents, protect property, and reduce fire risk, especially during dry weather conditions. Please consider the well-being of:

- Children and pets, who may be frightened by loud noises
- Neighbors with PTSD or sensory sensitivities
- Our local emergency services, who face increased calls during this time

Let's celebrate safely and responsibly. If you observe fireworks being set off, please contact local non-emergency authorities to report it. Thank you for helping us keep our neighborhood safe and enjoyable for all!

We will celebrate the 4<sup>th</sup> on  
Saturday, July 5<sup>th</sup> with Bomb  
Pops at the pool!
